

Here's a step-by-step guide to download your NDIS Plan:

1. Sign into myGov (my.gov.au) using your existing user name and password.
2. Now choose National Disability Insurance Scheme from the set of "Your services" buttons. (Please Link **National Disability Insurance Scheme** Service if not Linked)

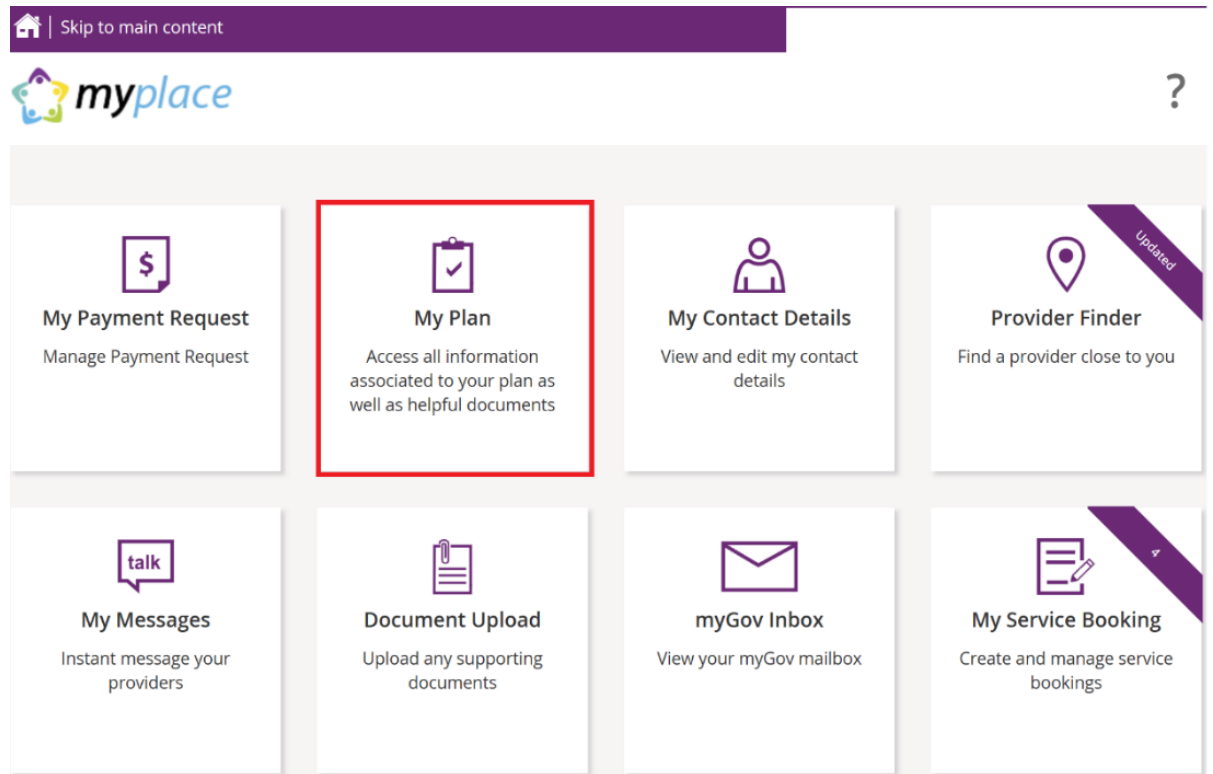

The portal home page displays.

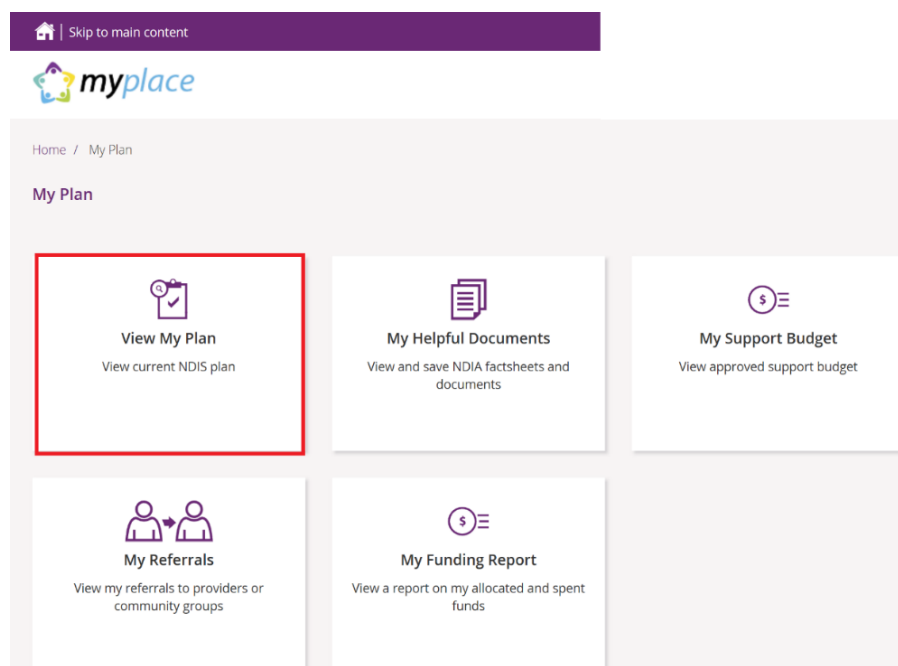

3. If you're a nominee, you'll need to select the NDIS participant name from the drop down menu called 'acting as'. This is right up the top of the page.

Then, click on the tile which says, for example, 'Aries's plan'.

If you're a participant, click on 'my plan'.

4. Click on the tile called 'view my plan' or for Participants 'View Aries's plan'

- The Page Can have multiple plans if you or participant have more than one plan, you need to make sure you are viewing right plan. Use the dropdown to select right plan.
